

## Standard Features & Specifications:

# A90LS

Model No.

**Tank:** Elliptical design, fabricated from polished aluminum.

**Bulkheads:** Double bulkhead construction. Heads are dished and flanged for maximum strength and to meet D.O.T. MC-406 regulations. Surgeheads installed and spaced to meet D.O.T.

**Underframe:** Extruded "j" type sill welded to tank bottom. Crossmembers are installed at each surgehead and bulkhead. Outriggers are standard on tanks 2500 gallons or larger.

**Flashing:** Full length double legged leak proof extruded aluminum overturn rails to meet D.O.T. MC-406. May be used as vapor recovery header. Expanded aluminum metal between rails.

**Flashing Drains:** Two external 1 1/2" o.d. drains at front. Black PVC 1 1/2" tubing shipped loose with tank.

**Manholes:** 16" manholes with 10" fills. Additional in breathing vent. D.O.T. MC-406 approved venting.

**Calibration:** 15" threaded rod with marker in each compartment. Sealed at rated capacity.

**Discharge Lines:** 3"x 2" emergency valves with 2" aluminum tubing terminating in rear bucket box with male pipe threads. Standard pipe rotation 1 1/2-2-4-3-1. Emergency valve operator installed overhead in bucket box, emergency release at street side front.

**Permanent Pipelines:** Four 2" pipelines (2-suction and 2-discharge) with victaulic grooves at both ends for dual pumping. \*(note: full width floor standard - landmark style floor must be specified.)

**Bucket Box:** Sloping galvanized steel cabinet 44" deep at bottom with floor lowered to enclose faucets. Single rear lift door with gas springs. Hose door outlet each side with stainless steel paddle handle slam latches, extra wide "C" spring hold open device and loose pin hinges with brass pins and grease zerks. Landmark floor is standard - full width floor optional.

**Bumper:** Heavy duty wrap around bumper meets D.O.T. MC-406.

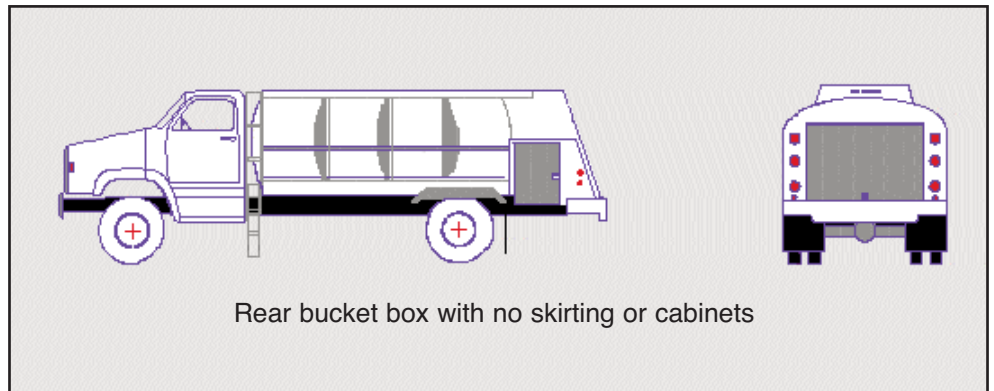

**Ladder:** Ladder curb side rear.

**Fenders:** Jeep style aluminum fenders. Shipped loose with tank.

**Lights:** Federal Standard MVSS108. Betts "snap seal" L.E.D. lights with vapor proof wiring. Vapor proof light in bucket box with separate switch.

**Finish:** Aluminum left in bright finish. Steel parts painted. All hinges have stainless pins.

*All latches are stainless steel.*

Rear bucket box with no skirting or cabinets

**progress tank** *aluminum, steel & stainless steel*  
since 1922
